

Message from Mrs Jennings—25 February 2021

Dear Parents

We have been at school for four weeks now and the girls are in a good routine in the morning. They understand the screening process and can walk independently to class now. From Tuesday, 2 March, all our girls will be expected to be dropped off at the gates and parents will no longer be able to walk their daughters to class. Grade 0 Moms and Dads, your daughters are ready to fly.

Have a safe and happy Mid-Term break!
